

Cancellation Policy

Please be courteous to the staff and providers at Axis Health.

If you need to cancel a scheduled appointment, please call us 24 hours in advance. This allows us time to schedule another patient in your place.

We understand that there are times when you must miss an appointment due to emergencies or obligations with family or work.

However, when a patient does not call to cancel in advance, they are preventing another patient from being treated.

Late cancellations have a huge impact on our ability to serve our patients.

Since we don't charge a fee for late cancellations, we ask for your consideration regarding this important matter.

Acknowledge understanding and intent to comply with this policy.
